

Enrolments

If you are interested in enrolling at our school, please submit an enrolment enquiry form on our website, or contact the school for assistance to complete the form on 03 9795 5848 or carwatha.p12@education.vic.gov.au.

An enrolment form will be provided when placement is offered.

Our school follows the Department of Education's [Enrolment Policy](#) for the enrolment, placement, and transfer of students.

Students who live within the school zone are guaranteed a place at our school. **Our school also has additional capacity available to welcome students who are outside of our school zone.** To find out whether you live in zone, visit findmyschool.vic.gov.au

All other applications will be considered subject to available space, and prioritised according to:

1. students with a sibling at the same permanent address who are attending the school at the same time
2. all other students in order of closeness of their home to the school.

Foundation (Prep) enrolments

The Department of Education has a statewide Foundation (Prep) enrolment timeline.

The timeline advises families when and how to enrol their child into Foundation (Prep) at a Victorian government primary school, including our school.

You can find information and resources about the enrolment timeline at: [Enrolling in Foundation \(Prep\)](#).

Year 7 enrolment

Enrolling your child in Year 7 is an important part of their education journey. We want to help you make the transition process as easy as possible. Each year, the department releases Year 6 to Year 7 placement information for schools and for parents/carers, with information packs available from the beginning of Term 2 for students commencing Year 7 the following year. These information packs, and other important information, can be found on [Moving from primary to secondary school](#) page of the Victorian Government website.

School zones

Our school zone is available on findmyschool.vic.gov.au which hosts the most up-to-date information about Victorian school zones.

Students residing in our school zone are guaranteed a place at our school, which is determined on the basis of your permanent residential address. **Our school also has additional capacity available to welcome students who are outside of our school zone.**

Our school manages enrolments using the [Placement Policy](#) to ensure that students have access to their designated neighbourhood school and may enrol at another school, if there are available places.
