

Carwatha College P-12

A College for the whole family

30 October 2025

Dear Parents/Guardians

STUDENT CHARGES AND FAMILY CONTRIBUTIONS 2026

At Carwatha College P-12, we aim to provide the highest quality education for all of our students. In order to do this, we need to make the best use of all resources available.

School Council has endeavoured to keep requests for payments for materials and voluntary contributions to a reasonable level. The full Carwatha College [Parent Payment Policy](#) is available from the Carwatha College P-12 website.

There are three areas for which parents may reasonably be requested to make a payment or contribution:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

All year levels can purchase individual stationery via booklists available online from Campion Education at <https://order.campion.com.au/>

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

It is always our intention to charge only what is necessary and we do not in any way wish to place any family under financial strain. The College appreciates that families may sometimes experience financial difficulties in meeting payment needs. Camps, Sports and Excursions fund (CSEF) can be used towards camps, sports, and/or excursions expenses by eligible parents. For more details go to <https://www.carwatha.vic.edu.au/page/212/Forms>. Please contact the College on 9795 5848 if you would like to use CSEF. Also, second hand uniform and books are available from Sustainable School Shop www.sustainableschoolshop.com.au/stocktake/carwatha-college-p-12. Should you require information about financial assistance or wish to discuss family support options in case of hardship, please contact the Student Wellbeing Coordinator on 9795 5848. Families who do not have an immediate capacity to pay are also able to enter into alternative and confidential payment arrangements with the College. Please contact the Business Manager on 9795 5848 if you would like to organise a payment plan or if you wish to discuss an alternative payment arrangement.

All parent payments and contributions can be made by Compass, BPay, credit card or cash. BPay is easy for parents to use, and it can be set up to work from their savings, cheque or credit card account.

While payment is not required until the start of the 2026 school year, if you are paying in full, we would appreciate payment by Friday 5th December 2025. Any record of payments or contributions is confidential.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
